

Sequence

Sequence is the order in which events take place in a story. Cut out the pictures below and put them in the order in which they occurred in the story *Stromple and the Super-Huge Temper Tantrum*. If you want to, you can just number them from 1-9, with #1 being the first thing that happened in the story:

More fun! Once you have them in the right order, paste them to a large piece of paper and turn them into a cartoon by adding words that explain what's happening in the picture.
